TRAVEL SERVICES

Seamless Corporate Travel Management:

ITS specialises in navigating the complexities of corporate travel, whether last-minute or planned well in advance.

Comprehensive Services:

We go beyond flights and hotels, ensuring a smooth journey from start to finish, covering transportation, dining, lodging, and meetings.

Efficient Booking Process:

Our team streamlines corporate travel arrangements, eliminating unnecessary intermediaries to save time and costs.

Expertise Across Travel Domains:

With extensive experience in rail bookings, car rentals, and airport transfers, we offer meticulous organisation and depth of knowledge.

Flexibility and Resourcefulness:

Years of service grant us the flexibility and resourcefulness to outperform less personal agencies, ensuring tailored solutions.

Problem Solving:

Faced with challenges like 'fully booked' hotels, we leverage our expertise to uncover hidden availability or explore alternative options, ensuring seamless travel experiences.

WHAT WE OFFER

Conferences and Meetings:

We recognise the significance of your conferences and meetings as reflections of your business and brand. That's why we've refined our processes to ensure your requirements are met and the day runs seamlessly.

Sports and Music Hospitality:

Our service offers exclusive access to top sporting events, music gigs, and premier gatherings. Whether you're a die-hard football fan or a music lover, we cater to your preferences and ensure you have an unforgettable experience.

Customer and Client Hospitality:

We tailored events to client preferences, seasonal opportunities, budget constraints, and company culture. Tailored recommendations ensure each event exceeds expectations.

Team Building Events:

ITS can arrange personalised team-building experiences to enhance collaboration, communication, and morale. We can book activities, tailored to specific needs and objectives.

Christmas Parties:

The Office Christmas Party is a highly anticipated event for teams to relax after a year of hard work. ITS offers a variety of party ideas and entertainment options to simplify the planning process amidst the holiday rush.

WHY WE ARE DIFFERENT...

We aspire to **surpass your expectations**, creating an unforgettable tailored conference, event, or customer hospitality experience that **goes above and beyond**.

We are a **worldwide provider of inventive and budget-friendly travel options**.

We don't believe in a one-size-fits-all approach to travel and event management. Instead, **we collaborate closely with your team to craft a bespoke travel program tailored to your specific requirements**.

HOW WE WORK

Reputation:

Our long-term clients affirm our reliability and excellence.

Trust:

Certified by IATA and ATOL, our accreditations underscore our commitment to quality and security.

Transparency:

We believe in clear communication regarding fees, ensuring transparency and no unexpected charges.

Response Time:

We strive for promptness, with a turnaround that suits your company.

Expertise:

With extensive experience, our team specialises in finding travel solutions for any situation.

Compliance:

We align with your company's policies, offering streamlined billing to simplify your accounting processes.

WHY CHOOSE US?

The administrative demands of corporate travel can be overwhelming. **Let ITS alleviate that burden for you.**

Drawing on our expertise in both travel and events, our dedicated team is **committed to delivering tailored solutions for a range of occasions, ensuring smooth execution from beginning to end.** Regardless of location, we guarantee safe and timely transportation for individuals and group trips with ten or more participants.

By selecting us, you're not only saving money but also granting yourself the freedom to concentrate on what truly counts. A brief conversation or email is all it takes to begin simplifying your corporate travel today.

SUSTAINABILITY

We are very proud of our home, based in **rural Cheshire** we create our events in a converted barn looking out over the surrounding fields, farm and horse livery!

Within our home we have strived to embrace sustainability – **reducing energy consumption, engaging with technology, improving our processes, and ensuring cleaning and facility products are sustainable.**

We work with our suppliers to ensure sustainability is considered, all our current office suppliers are sustainable, and our waste is currently 100% landfill averse. **We are actively working within our processes and supply chain to improve our use of sustainable products and services.**
